

The Canadian Investment Guide 2007 Order Form

The Canadian Investment Guide is designed for investors and advisors to keep as an annual reference guide. Advisors and organizations can use it to prospect or gift to existing clients and build long-term customer relationships.

CANADIAN Investment Guide 2007

Available December 1

THE GUIDE FOCUSES ON: the different financial products, such as mutual funds, hedge funds, income trusts, etc., and what they bring to a portfolio and the long-term track records of top performing investments as selected by the *Canadian Investment Awards™*. For information visit www.investmentawards.com
